ADE Lab, the education and talent development platform for young producers and aspiring professionals, today announces the first confirmed highlights for this year's event, including esteemed artists and producers such as DVS1, Mama Snake, Reinier Zonneveld, Héctor Oaks & Van Anh, Darude, and many others. The curated program is designed to support emerging artists and music professionals in elevating their careers, offering exclusive opportunities for learning and networking.

This year's ADE Lab is focused on providing an interactive and engaging experience for its attendees, presenting a series of event-wide courses to complete, ranging from Production and Artist courses to Professional and Mixed Media courses. Upon completion of a course, attendees will earn a discount on the ADE Pro Pass for the following year.

The first program highlights include the **RA Exchange Live: DVS1**, an in-depth interview with techno titan DVS1 by Resident Advisor, alongside a deep dive into curating a DJ set with psychedelic pioneer **Mama Snake**, and a **Filth on Acid Demo Drop with Reinier Zonneveld**.

Additional workshops include The Art of Vinyl DJing with **Héctor Oaks** and **Van Anh**, in addition to talks and sessions with **Darude**, **Nostalgix** and **Modular Moon**. Multi-instrumentalist duo **Parallele** joins ADE Lab with a special edition of their 'A Day In...' format, and **Femme Bass Mafia** is set to host a DJ mentoring program for femme, trans, and non-binary people.

In addition to the first confirmed artists and speakers hosting workshops during ADE Lab, visitors also get the chance to test all of the newest gear and creative technologies by some of the most forefront brands in electronic music, including **Ableton**, **AIAIAI Audio**, Allen & Heath, Deepgrooves, DJ.Studio, **DMC40/Technics**, L-Acoustics, **Roland**, Vinylify, and **Universal Audio**, in custom designed gear test areas and studios. Moreover, CollabHouse and SAE Institute join to host exclusive demo drops and challenges for ADE Lab visitors.

ADE Lab Pass holders have access to all four days of ADE Lab, **taking place October 19th through 22nd**. ADE Pro Pass holders can also participate in the event alongside the ADE Pro conference, the ADE Festival program and all other included benefits. [All ADE tickets are available here.](#)
